FOR IMMEDIATE RELEASE

SEDGWICK COUNTY COMMISSIONERS TO ATTEND PLANNING SUMMIT

(Sedgwick County, Kansas) -- Sedgwick County Commissioners will attend the second Inter-Municipal Planning Summit, Saturday, January 17, 9:00 a.m., at the Sedgwick County Extension Center, Sunflower Room, 21st and Ridge Road.

Since the first Inter-Municipal Planning Summit on November 8, smaller committees have met to discuss three specific planning areas: 1) Inter-Jurisdictional Communication, 2) Infrastructure and Transportation needs, and 3) Maintaining Municipal Tax Bases and Annexation. The second Summit will give these committees an opportunity to report their outcomes to the large group and define the next steps in the process. The goal of these discussions is to enable all communities in Sedgwick County to be represented and have a voice in the decisions affecting their constituents and to arrive at mutually beneficial solutions when problems arise.
